What's New at MMM Matrices (2/27/19). Our new matrices unit, which will eventually be included as one of our extra topics in precalculus, is available. This 47-page document covers the basics of matrix operations. It contains some very interesting applications that are not usually taught at the high school level but gives students insight as to why matrices are important.

Martin Luther King, Jr., is known for his contributions to the American civil rights movement in the 1960s. His most famous work is his "I Have a Dream" (1963) speech, in which he spoke of his dream of a United States that is void of segregation and racism. King also advocated for nonviolent methods of protest.
